## WATER SERVICE APPLICATION

I, the undersigned, hereby apply for supply of residential/commercial/institutional (*circle one*) water service at:

\_\_\_\_\_

(Street and Number - please print legibly) (Application Date)

Estimated maximum or peak usage (*gallons per minute or GPM*): \_\_\_\_\_ (*commercial/institutional ONLY*)  
 Septic system or sewage design flow (*gallons per day or GPD*): \_\_\_\_\_ (*skip if ADU\**)

I agree to abide by the rules, regulations, policies and bylaws now in force or to be established by the Board of Water Commissioners, including but not limited to the *Schedule for Water Service*. I understand that:

- A nonrefundable administrative application fee is due at time of application submittal.
- If a new service line is required, I am responsible for line installation and maintenance costs. All system development and other project fees shall be paid in full before the new line is turned on.
- Any change in type of service or GPD/GPM usage shall be Precinct-approved and may incur other fees.
- Construction plans shall be Precinct-approved before this application will be approved.
- Main extensions incur other requirements that shall be addressed before this application will be approved.
- Commercial/institutional/multi-unit residential developers shall use the *Project Applicant Checklist*.

I further understand that if this *Water Service Application* is not approved within two (2) years of the above Application Date, this application is null and void and reapplication shall be made on a first-come, first-served basis.
